

Visit a working Tea Factory and be enlightened on the tea manufacturing process. Watch the tea pickers as they nimbly climb up the mountainside with their large baskets and pick the tea leaves, then visit the factory and you will be taken around by a friendly staff member who will explain the process of fermentation, rolling, drying, cutting, sieving and grading of tea.

A cherished gift of Nature; Tea is a beverage that refreshes the mind, heals the soul and brings people together. Tea is a culture; its ethos a shared sentiment of endearment and fellowship. Producing the perfect cup of tea therefore, demands empathy and expertise that only comes with arduous commitment and tastefulness.

Do not miss the opportunity of a life time to visit the largest Tea factory in the locality and witness the **step by step** process on how The Worlds best tea is produced
